ANNUAL SECURITY REPORT

One of the country's leading Catholic universities, Seton Hall University has been developing students in mind, heart and spirit since 1856. Home to nearly 10,000 undergraduate and graduate students and offering more than 90 rigorous majors, Seton Hall's academic excellence has been singled out for distinction by The Princeton Review, U.S. News & World Report and Bloomberg Businessweek.

The University operates at four separate campuses – the main campus in South Orange, New Jersey, the Law School in Newark, New Jersey, the Interprofessional Health Sciences (IHS) Campus in Nutley, NJ, and a nursing degree program on the campus of Georgian Court University (GCU) in Lakewood, New Jersey. This report is for the Interprofessional Health Sciences (IHS) Campus located at 340 Kingsland Street, Nutley, NJ 07110 that opened in July 2018. Seton Hall programs included at this location are the School of Health and Medical Sciences, College of Nursing, and the School of Medicine, a partnership between Seton Hall University and Hackensack Meridian Health (HMH). The location is in an office complex, with no residential facilities.

PREPARATION OF THE ANNUAL SECURITY REPORT AND DISCLOSURE OF CRIME STATISTICS

It is the policy of Seton Hall University (SHU) to fully comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). The preparation of the Annual Security Report (ASR) is a collaborative effort between Public Safety and Security (PS&S), the Dean of Students Office, Campus Security Authorities (CSA's), and several local law enforcement agencies.

The Assistant Director for Administrative Services, Public Safety mails annual requests for statistics to local law enforcement agencies and is in regular communication with other departments with significant responsibilities for students and University activities. The University complies this information in the University's Annual Security Report.

This report contains one year of crime statistics related to incidents that occurred on University property or property owned or controlled by Seton Hall, and on public property immediately adjacent to and accessible to the campus. The ASR also contains institutional policies about security, sexual violence, safety, and crime prevention.

By October 1, 2021, the Vice President for Student Services sends an email to all members of the University community notifying them of the availability of the ASR. It is available online at <https://www.shu.edu/public-safety/upload/Annual-Security-Report-Interprofessional-Health-Sciences-Campus.pdf>. You may also request a printed copy by emailing Public Safety & Security at security.request@shu.edu or by visiting the department adjacent to the Ward Gate on the main campus at 400 South Orange Avenue, South Orange, NJ, or the Public Safety Office in room 222 on the IHS campus at 340 Kingsland St. Nutley, NJ.

SECURITY AND ACCESS

At the IHSC, the physical condition of the building is monitored by IHSC Facilities Engineering and requests of a security nature (keys and access cards, etc.) are coordinated through IHSC Public Safety. Electronic surveillance systems monitor IHSC property and adjacent areas of public property. Public

Safety personnel are positioned at points of entry to the building, turnstiles are utilized in the main lobby entrance, and card swipe and an officer are located at the rear entrance.

To report issues about the building, contact the Director of Facilities, 1st floor, Rm. x1545 or call 973-542-6997 or x6997 during business hours. For building emergencies outside of normal business hours, contact the Public Safety Dispatch at 973-542-6600 or x6600.

Public Safety personnel open and close the building as scheduled.

ENFORCEMENT AND JURISDICTION

The safety of our campus and community is a responsibility shared by all of us. While this is led by the Department of Public Safety and Security, there are other key areas who contribute significantly to our efforts.

Department of Public Safety and Security

Seton Hall University does not have a security presence at IHSC (Interprofessional Health Sciences Campus). We rely upon IHSC Public Safety for their on-site presence for enforcement and jurisdiction in areas of safety and security. The IHSC Public Safety works closely with the Nutley and Clifton Police Departments. Seton Hall students should know that that IHSC security officers are unarmed and do not have arrest powers.

IHSC Public Safety and Security Dispatch Office is located at 123 Metro Blvd. Nutley, NJ on the lower level, room 222.

MONITORING AND REPORTING OF CRIMINAL ACTIVITY

Seton Hall University has no officially recognized student organizations with non-campus locations.

REPORTING CRIMES AND OTHER EMERGENCIES

If crimes are not reported, the University is limited in its ability to help prevent other members of the community from becoming victims. Our community is safer when we all work together to make it that way by promptly reporting crimes and by participating in and supporting crime prevention efforts.

In an emergency call 911.

Seton Hall strongly encourages that all crimes be directly reported to IHSC Public Safety at 973-542-6600 or the Nutley Police Department at 973-284-4940 or the Clifton Police Department at 973-470-5900

In a non-emergency, SHU recognizes that some individuals may prefer to report to other officials or departments on campus. The Clery Act identifies these officials as “Campus Security Authorities” and they include:

- a) Public Safety & Security
- b) Individuals responsible for security outside of PS&S (i.e. event management, building access)
- c) An official who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings.
- d) Any individual or organization the institution has identified to which student and employees should report criminal offenses.

All CSA's have been advised of their responsibility to forward any report they receive to Public Safety and Security. While the University has several CSA's, the following places are designated as where individuals should report crimes or policy violations:

TIMELY WARNING

Seton Hall Public Safety and IHSC Public Safety have a collaborative understanding, if an incident requiring a Timely Warning occurs at the IHS Campus we are to be notified immediately.

Seton Hall Public Safety will issue a “timely warning” notice in the event it receives notice of a Clery crime occurring at the IHS Campus, 123 Metro Blvd, Nutley, NJ 07110, on public property immediately adjacent the building, or on non-campus property owned or controlled by the University, where the University determines, in its judgement, that the situation presents a serious or ongoing threat to the University community. For purposes of this policy, “timely” means as soon as reasonably practical after an incident has been reported to Public Safety and Security.

Whether to issue a timely warning is determined on a case-by-case basis for the following Clery Act crimes: homicide, sex offenses (rape, fondling, incest, and statutory rape), robbery, aggravated assault, burglary, motor vehicle theft, arson, domestic violence, dating violence, stalking and hate crimes, as defined by the Clery Act.

In deciding whether to issue a timely warning the University will consider a number of factors to determine if there is a serious or ongoing threat to the University community. Those factors include, but are not limited to, 1) the nature of the incident; 2) when and where the incident occurred; 3) the amount of the information known to PS&S. The reason why the University does or does not issue a timely warning will be documented and maintained with a copy of the incident report for a period of seven years by PS&S.

The Associate Vice President for Public Safety & Security (AVPPS&S), or their designee, will consult with the Vice President for Student Services, or their designee, who is responsible to decide if a timely warning will be issued. AVPPS&S and Vice President for Student Services will determine the content of the timely warning. The content of timely warning will include at minimum, to the extent known, the date, time, and nature of the offense, a physical description of the actor(s), and where applicable, cautionary advice that would promote safety.

A timely warning is sent by email to all members of the University community by Public Safety and Security. Several members of the PS&S department have been trained to issue these warnings. The University may also use the Pirate Alert system, the University’s text message service, to supplement the email message. Additional information about the incident may be sent by email, text message, and/or posted to the University’s website.

EMERGENCY NOTIFICATION AND EVACUATION

Emergency Response Plan

The University has a comprehensive Emergency Preparedness and Response Plan. The Plan details the processes and communications for a successful response to, and recovery from, an emergency incident.

Public Safety & Security administrators and security managers have received training in Incident Command and Responding to Critical Incidents on campus. Depending upon the nature of the incident, other University departments and other local, state or federal agencies could also be involved in responding to the incident.

General information about the emergency response and evacuation procedures are part of the University’s Campus Security Act compliance efforts and is available on the Public Safety & Security website at: <https://www.shu.edu/interprofessional-health-sciences-campus/public-safety.cfm>

Drills, Tests and Exercises

IHSC Security tests their Emergency notification systems, the Emergency PA system and Everbridge Alert throughout the year.

Seton Hall Emergency notification systems are tested twice per year. Seton Hall faculty, staff and students at the IHS Campus are included.

Emergency Notification

The University will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

Upon notification to Public Safety that there is, in fact, an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the University community, the Associate Vice President for Public Safety & Security (AVPPS&S), or their designee, will consult with the Vice President for Student Services, or their designee, to determine modes of notification.

Public Safety & Security is responsible for issuing emergency notifications; three individuals have been trained to do so – Associate Director, Assistant Director, and Assistant Director for Administrative Services. Several templates have been developed for notifications. The individual issuing the notification will select the appropriate template and modify it to reflect the specifics of the situation. The Vice President for Student Services, or their designee, will assist with the content as needed.

The University has several systems it may use to communicate quickly with the community:

PirateAlert System - This is the University's electronic mass notification system through which warnings and instructions are transmitted to the University community via cellular voice, cellular text, landline telephone, and e-mail. All SHU community members are automatically registered to receive e-mail messages and are urged to register with PirateAlert to receive messages through the other modes. In addition, all community members who provide a cell phone number as part of their application automatically have that number entered into the system. PirateAlert is used throughout an emergency event to alert and warn the community of an impending or occurring hazard, to provide instructions such as "shelter-in-place," or to inform the community when the hazard has been abated. The PirateAlert system may also be used to alert the community to hazards that are beyond the scope of crimes and locations specified by the Campus Security Act.

SHU Web Site and E-mail Alerts - For emergency events for which there is adequate warning time to alert the SHU community, warnings and detailed emergency instructions may be posted on the SHU web site and broadcast via E-mail Community Alerts. A SHU Emergency Web Site can also be activated to replace the regular web site during emergency events.

An emergency affecting the SHU community would generate concern from groups beyond the individual location. Emergency notification may be disseminated to the larger community through the University website and local, regional, or national media.

SECURITY AWARENESS & CRIME PREVENTION PROGRAMS

The University encourages all members of the community to be active participants in the prevention of crime. Public Safety leads this effort with the support of other campus departments through educational programs held throughout the year.

DRUG, ALCOHOL, AND SUBSTANCE ABUSE

The possession, sale, or the furnishing of alcohol on the University campus is governed by University policy and New Jersey state law.

The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Similarly, University policy does not permit the use, possession, manufacture, or distribution of controlled substances, including paraphernalia on campus property. Enforcement of University policy is the responsibility of Housing & Residence Life staff and Public Safety & Security personnel.

Violators of the University's alcohol and/or drug policies are subject to disciplinary sanction that may range to University expulsion. In addition, individuals may be referred for criminal prosecution that may include fine and imprisonment.

For employees, substance abuse is detrimental to an individual's health and may jeopardize safety in the workplace. For these and other reasons, the unauthorized use, possession, storage, manufacture, distribution and sale of alcohol, controlled substances, and illegal drugs is prohibited on campus for all employees. For more information consult Human Resources or the "Drug and Alcohol Free Workplace Policy" at <https://www.shu.edu/policies/drug-alcohol-free-workplace.cfm>

Seton Hall University is committed to a healthy environment for all member of our community. The University's comprehensive education programs exceed the requirements of the Higher Education Act of 1965, as amended. The biennial review of these programs and more detail about the programs offered can be found at <https://www.shu.edu/student-life/alcohol-and-other-drug-education-and-programs.cfm>.

CAMPUS SEXUAL VIOLENCE ELIMINATION ACT (SaVE Act)

The Campus SaVE Act, passed in 2013 as part of the Violence Against Women Reauthorization Act, amended the Clery Act to require that colleges and universities include important information about sexual misconduct and violence crime statistics, education, and security-related information in the Annual Security Report. The crime statistics are included at the end of this Report; the education and security-related information follow.

Education & Outreach – Students:

Seton Hall University is committed to fostering a positive and safe working and learning community. All students receive information in written form about University policies, resources, and reporting procedures through available brochures and [a dedicated website](#). In addition, all students complete an online course administered by the Title IX Office each spring that reviews sexual assault, stalking, dating violence, and sexual harassment, and reporting options for students.

Undergraduate Nursing students at the IHS campus also receive education at the South Orange campus where they begin their educational program. This includes a required online tutorial for and attendance at Orientation programs before they begin classes.

Social media and online education and outreach campaigns included:

- MyPlan – promotion of an online app for victims of dating/domestic violence and friends of victims of in dating/domestic violence relationships
- Stalking Prevention and Awareness

- Brochures/Online – Information for Reporting/Resources, What to do if Sexually Assaulted, After an Assault, Reporting Sexual Violence, Reporting and Resources for Respondents, and more.

Education & Outreach – Employees:

All new employees attend New Employee Orientation within a month of their start date. During this program the Director of EEO Compliance and Title IX Coordinator presents information to all employees about:

University Policy Against Discrimination and the Guidelines for Responding to Complaints of Discrimination, Harassment and Retaliation

Title IX

Non-discrimination/Title IX Statement

Responsible Employees: Reporting Obligations Under Title IX

Confidential Reporting Resources

Resource Guide for Assisting Student Victims of Sexual Violence

Reporting Options for Survivors

This information is presented orally and in written format.

All employees and faculty members are required to complete two online training modules on a biannual schedule. The modules are: *Preventing Discrimination & Sexual Violence: Title IX, VAWA and CLERY Act for Faculty and Staff and Discrimination & Harassment Prevention for Higher Education*. These on-line programs provide information on federal and state law as well as specific Seton Hall policies and procedures. The training provides information on definitions of discrimination and sexual harassment including sexual violence, reporting protocols and questions/vignettes to apply the definitions to different scenarios and fact patterns in order to assist with the understanding of the material.

The Title IX Coordinator, the Dean of Students Office and the **KNOW MORE** program all offer ongoing training on resources, policies, and required reporting protocol to any student group, faculty, or staff department upon request.

Non-Retaliation Policy:

Retaliation against an individual who exercised his or her right or responsibilities under the Campus SaVE Act is prohibited. The University deems retaliation as serious offense as outlined in its policy [here](#).

Written Notification of Rights and Options:

The University will provide written notification to a student or employee who makes a report of sexual misconduct or violence. That information is also available online [here](#).

Confidential Reporting - Students:

The University strongly encourages accurate and prompt reporting of these crimes to both campus officials and to local law enforcement. There are, however, options available for students who wish to maintain confidentiality while getting the support they need.

Crimes reported to a member of the clergy, of Counseling & Psychological Services (CAPS), or of Health Services, when that member is acting in performance of his/her role as clergy, counselor, or medical provider, are considered confidential and will not be reported without the consent of the reporting individual. As a matter of practice, victims and witnesses are provided information as to how they may report a crime on or off campus. By law, members of CAPS and Health Services are required to report when an individual has expressed intent to harm him/herself or others.

Preservation of Evidence and Medical Exam:

A victim can receive medical attention at any medical facility; however, certain facilities have specially trained staff to help survivors of sexual assault. Locally, these hospitals have sexual assault nurse examiners:

Hackensack Meridian Health Mountainside Medical Center
1 Bay Avenue
Montclair, NJ
973-429-6000

Newark Beth Israel Medical Center
201 Lyons Avenue
Newark, NJ
1-800-843-2384

It is important to preserve evidence that may be useful in obtaining a protection order or in proceeding with a criminal investigation should one choose to do so. Completing a forensic exam does not require a victim to file a police report or report to the University, although the University encourages these reports if the victim is comfortable doing so.

Medical exams can also address other physical needs or trauma and assess for sexually transmitted infections or pregnancy.

If possible, the victim should not bathe, douche, smoke, use the toilet or clean the location where the incident occurred. He/she should save items he/she was wearing, and sheets, or towels in a paper bag.

Text messages, records of phone calls, emails, pictures, notes, and gifts can all be pertinent for a report of sexual assault, dating violence, and domestic violence or stalking.

Privacy:

The University will maintain as private any accommodations or protective measures provided to a victim if it does not impair the ability to provide such measures. Personally identifiable information about victims will not be included in any publicly available record-keeping, including the reporting

and disclosure of crime statistics. In addition, should the University be required to issue a Timely Warning as specified by the Clery Act, it will withhold the name and any identifying information of victim of any crime.

NOTE: A victim of sexual misconduct **always** has the options:

- To notify either the police or campus authorities.
- To obtain assistance from campus authorities to notify the police.
- To decline to notify the police or campus authorities.

973-284-4940

The University encourages reports be made to the police and will support you in doing so. The Department of Public Safety and Security will assist you in contacting local law enforcement agencies to initiate an investigation if you so choose.

Restraining Order and No Contact/Communication Directive:

A Restraining Order is a legal order of protection issued in the state of New Jersey. To obtain a restraining order, you must go to the law enforcement agency for where you live in NJ or for where the incident occurred. After taking your statement, the police will arrange for you to speak with a judge (usually by phone) who will issue a Temporary Restraining Order. You will then be given a court date for when the judge will determine if the Temporary Restraining Order will become Permanent. Again, we will assist you in getting to the police, the courthouse, or any other related places. You can find more details about restraining orders in NJ here - https://www.judiciary.state.nj.us/prose/11253_dv_act.pdf.

A No Contact/Communication Directive is issued by Seton Hall University and only has authority over individuals associated with the University. It limits contact between the parties. Violation of the

No Contact/Communication Directive is a violation of University policy and subject to separate review for disciplinary action.

Definitions:

The State of New Jersey definitions of Domestic Violence, Sexual Assault, and Stalking can be found later in this report with the other Crime Definitions. New Jersey does not have a definition for Consent of Dating Violence.

Following are the definitions for Seton Hall University -

Consent:

Consent is the unambiguous, knowing, and voluntary agreement between the participants to engage in specific sexual activity. Consent must be demonstrated through mutually understandable words or actions clearly indicating a willingness to engage in that activity.

- Past consent between the participants does not imply future consent.
- Silence or the absence of resistance does not imply consent.
- Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another.
- Consent can be initially given but may be withdrawn at any time.
- Consent cannot be given under coercion, force, restraint, or threat.
- Children and minors cannot consent in accordance with New Jersey law. N.J.S.A 2C: 14-2.
- Consent cannot be given when asleep, unconscious, or incapacitated.

Incapacitation is not being able to knowingly choose to participate in a sexual activity. A person who is voluntarily or involuntarily intoxicated or drugged to the point of incapacitation, asleep, unconscious, involuntarily restrained, or otherwise unaware, cannot give consent.

Sexual Misconduct

Sexual misconduct is unwelcome conduct of a sexual or gender-based nature that may adversely and unreasonably interfere with someone's education or work. It is determined based on the perspective of a reasonable person in the same circumstances as the person experiencing the misconduct. It is a form of discrimination and includes acts of sexual assault or sexual harassment as defined below. Sexual misconduct can occur in person or through e-mail, the Internet, social media, or other technologies. Anyone, regardless of gender, affectional or sexual orientation, actual or perceived, or gender identity and expression, can be the victim of sexual misconduct.

- a. Sexual Assault: (Non-consensual intercourse). Sexual assault is the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of that person.
- b. Sexual Assault: Non-consensual sexual contact. Nonconsensual sexual contact means the deliberate and unwelcome touching of another person's intimate parts (sexual organs, genital area, anal area, inner thigh, groin, buttock or breast of a person) without consent for sexual gratification or touching another with one's own intimate parts, without consent, and for the purpose of sexual gratification.
- c. Sexual Harassment. Sexual harassment is unwelcome conduct of a sexual nature, including sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature. Hostile environment sexual harassment is based on a person's actual or perceived gender and is conduct that a reasonable person would consider so offensive, severe, persistent, or pervasive as to interfere with a

person's ability to participate in educational or work activities or programs. Sexual harassment can be verbal, written, graphic, physical or through digital, online, or social media communications. Sexual harassment may occur between persons of any sex/gender and anyone can be sexually harassed. Harassment on the basis of sex may also occur without sexual advances or sexual overtones when conduct is directed at an individual or group because of their sex or gender.

d. Dating and Domestic Violence. Both dating and domestic violence are prohibited forms of misconduct under this policy and do not have to involve sexual interaction. They frequently involve a pattern of abusive behavior within an intimate relationship where one partner uses fear and intimidation to harm or control the other.

1. Dating violence is any act of violence committed against a person who is, or has been, in a social relationship of a romantic or intimate nature by a person accused of the violation. It can include verbal statements and/or physical actions and can include, but is not limited to, name-calling, hitting, threat of physical harm, and/or damaging property. Under New Jersey criminal law, dating violence is prosecuted as a form of domestic violence.

2. Domestic violence involves criminal acts that are committed against a current or former spouse, an intimate partner, a person with whom the parties have a child in common, or with whom they live or once lived. Under New Jersey law, domestic violence includes, but is not limited to, criminal acts of homicide, assault, threats, kidnapping, criminal restraint, false imprisonment, sexual assault, criminal sexual contact, lewdness, criminal mischief, burglary, criminal trespass, harassment, and stalking.

e. Stalking. Stalking is also a prohibited form of misconduct that does not have to involve sexual interaction. Stalking is a course of conduct (or series of acts) directed at a person on at least two or more occasions that would cause a reasonable person to fear for their personal safety or the safety of others or suffer substantial emotional distress. Stalking can include pursuing/following, unwanted communication, whether directly or through third parties, trespassing, surveillance, or other acts likely to intimidate, annoy, or alarm.

In matters involving allegations of sexual misconduct or discrimination, terms and conditions shall be interpreted consistent with the requirements of the Policy Against Sexual Misconduct, Sexual Harassment and Retaliation.

Additional Notes on Victim's Rights in Pursuing a Complaint:

Victims have the right to pursue criminal charges against the accused/respondent. If the respondent is a student, complainants can also pursue campus action through the Student Conduct Office or EEO Compliance Office regardless of where the offense occurred. Because of the sensitive nature of sex offenses, the case would be heard administratively or by an administrative board rather than through a student conduct board if the Respondent is a student.

- Victims have the right to choose counseling and medical treatment and to report and pursue their case through the University's system and/or the off-campus court system. They have the right to refuse these options without reproach from any University personnel.
- Victims have the right to be treated with dignity and seriousness by University personnel.
- Victims of personal crimes have the right to be reasonable free from intimidation and harm.
- University personnel should inform victims that: 1) they are not responsible for crimes committed against them; 2) they should not consider themselves negligent or in any way a

contributor to the crime; and 3) that adverse publicity for the college will NOT be a factor in deciding the best course of action.

- Victims will be made aware of appropriate support services, including counseling.

Assistance and Campus Resources - Students:

Regardless of whether the victim chooses to report what happened to local police or to the campus discipline system, there is assistance available, such as:

- Living accommodations - assistance with a room change or obtaining campus housing.
- Academic assistance - address difficulties with classes
- Transportation assistance – to get to the hospital, the police, etc.
- Counseling – confidential services available on campus
- Safety and Security – 24-hour escort service on campus
- No Contact/Communication Directive – a University directive prohibiting direct or indirect contact between the victim and the Respondent when the Respondent is a student or employee.
- Persona Non Grata (PNG) – when the Respondent or the accused is not a student, he/she can be issued a PNG letter, limiting or prohibiting access to campus.

To obtain any of the above assistance, the victim is encouraged to speak with the Dean of Students/Deputy Title IX Coordinator who will arrange the resources if requested and reasonably available. The Dean of Students can be reached at (973) 761-9076, or room 215, University Center. After hours and on weekends, the Dean can be contacted through Public Safety by calling 973-761-9300 – just provide your name and a number where you can be reached.

Assistance and Campus Resources - Employees:

Regardless of whether the victim chooses to report what happened to local police or to the campus discipline system, there is assistance available, such as:

- Workplace Accommodations – assistance with a location or shift change if reasonably available
- No Contact Order – a University directive prohibiting direct or indirect contact between the victim and the Respondent when the Respondent is a student or employee.

To obtain any of the above assistance, the victim is encouraged to speak with the Director of EEO Compliance/Title IX Coordinator who will arrange the resources if requested and reasonably available.

Disciplinary Procedures/VAWA

The person bringing forth the report or complaint is referred to as the Complainant. The person against whom the complaint is made is referred to as the Respondent. Whether the Respondent is a student or employee/faculty member/vendor depends upon which Disciplinary Process is used.

Disciplinary Procedures – Student Respondent

The Student Conduct procedures are designed to be prompt, fair, and impartial from the initial investigation through the final result. This is accomplished by:

- Providing timely notice of all meetings to all parties.
- Providing equal access to all information to both the Complainant and the Respondent.

- Conducting the investigation and adjudication by individuals who receive annual training on issues related to sexual misconduct and violence, as well as to how to conduct a fair and impartial investigation and hearing that protects the rights of all parties and promotes accountability within the community.
- Providing for both the Complainant and the Respondent to have an Adviser of their choice present at any meeting associated with the matter (provided that the Adviser is not a Witness in the matter).
- Providing simultaneous written notice to the Complainant and the Respondent of the 1) outcome of the Student Conduct Review Board if one is held, 2) the appeal procedures, 3) any change to the outcome of the Review Board decision.

As a brief overview of the process, the following outline is shared. Determination of which investigative/conduct procedure path is followed is made based upon where the incident occurred.

If the incident occurred off campus, the following steps are followed:

- The report is received by the Dean of Students/Deputy Title IX Coordinator. A Notice of Investigation is sent to the Complainant and to the Respondent.
- The matter is assigned to two co-investigators who will meet with the Complainant, the Respondent, and any witnesses with direct information about the matter. The investigators will also collect any relevant and available evidence. The investigation will be completed as efficiently as possible, normally within four to six weeks of the official report.
- The Respondent will be made aware of options available to him/her (to accept responsibility and be sanctioned, to deny responsibility and request a hearing, to permanently withdraw from the University prior to referral to hearing).
- The Complainant and Respondent will each be given an opportunity to review the full investigative report prior to the scheduling of the Student Conduct Review Board hearing.
- If the matter is referred for student conduct hearing, the Complainant and the Respondent will be notified in writing of the time and date of the hearing. The hearing will be scheduled to accommodate the parties' class schedules only. The hearing will normally be scheduled within twenty days of the official notification of the hearing.
- Both the Complainant and Respondent are encouraged to meet with the Board Chair to review hearing procedures prior to the hearing.
- Both the Complainant and Respondent will be notified in writing of the decision of the Board, normally within ten days of the decision being final. Such notification will include the effective date(s) of any sanction(s) issued.
- The standard of evidence used by the Board in reaching its decision is Preponderance of the Evidence.
- Both the Complainant and Respondent will have the opportunity to appeal within five days of receiving the Board decision. The grounds for appeal are and detailed appeal procedures are listed in the Student Code of Conduct and included in the written notification of the Board's decision.

- Both the Complainant and Respondent will be notified in writing of the decision of any appeal within fifteen days of receipt of the appeal. The appeal authority may increase any sanction issued, decrease any sanction issued, or refer the case for review by a new Board. The written notification will include any change to the original sanction, including any change to the effective date. The decision of the appeal authority is final.

The full Student Conduct Review process is available online at – [Student Code of Conduct](#).

If the incident occurred on-campus, the following steps are followed:

- The Complainant must file the report in writing with the Title IX Coordinator who will review the matter for jurisdiction. If it is determined that the allegation falls within the jurisdiction of the Title IX Office, the matter will proceed; if not, it may be referred to the Student Conduct Office.
- A notice of investigation is sent to the Complainant and to the Respondent.
- The matter is assigned to two co-investigators who will meet with the Complainant, the Respondent, and any witnesses with direct information about the matter. The investigators will also collect any relevant and available evidence. The investigation will be completed as efficiently as possible, normally within two to four months of the official report.
- The Respondent will be made aware of options available to him/her (to accept responsibility and be sanctioned, to deny responsibility and request a hearing, to permanently withdraw from the University prior to referral to hearing).
- The Complainant and Respondent will each be given an opportunity to review the full investigative report prior to the scheduling of the hearing.
- Unlike the Student Conduct Review Board, in the process for the Title IX Office, the Hearing is conducted by a single decision-maker. Also, unlike the Student Conduct Review Board, in the Title IX Office process, the Advisors participate in the Hearing and actively question the parties.
- Both the Complainant and Respondent will be notified in writing of the decision of the decision-maker, normally within ten days of the decision being final. Such notification will include the effective date(s) of any sanction(s) issued.
- The standard of evidence used by the decision-maker in reaching its decision is Preponderance of the Evidence.
 - Both the Complainant and Respondent will have the opportunity to appeal.

The full process is detailed in the Title IX Grievance Procedure available online – [Title IX Grievance Procedure](#).

Standard of Evidence – Student Process

That standard of evidence used to determine responsibility for violation of the Student Code of Conduct is Preponderance of the Evidence.

Note that this type of sanction is additional and is not a sanction for sexual misconduct or violence by itself.

Sanctions of University Suspension for any period of time and University Expulsion are noted on the academic transcript.

Employee Complaint Process:

In those cases when the accused is an employee of the University, the matter is referred to the Office of EEO Compliance and Title IX Coordinator.

The person making the complaint or report is called the “complainant.” The person accused is called the “respondent.” The investigation is conducted by the Director of EEO Compliance/Title IX Coordinator (Director) and an assigned co-investigator. The investigators will interview the Complainant, the Respondent, and any witnesses with direct knowledge about the incident. The investigators will also collect any evidence that directly relates to the incident.

Both the Complainant and the Respondent may be accompanied to any meeting by an adviser of their choice for the sole purpose of providing support. The support person may not have personal knowledge of or involvement in the matter being reviewed. Respondent's supervisor may not serve as a support person. The support person is not permitted to participate in the investigation by, for example, asking or answering questions. A participant's legal counsel shall not be permitted to participate in or interfere with the University's investigation.

Timeline-Employee Complaint Review Process:

The purpose of these Guidelines is to set forth the general procedures that the University may follow when responding to complaints of policy violations by faculty, administrators, or staff

involving unlawful discrimination or harassment and/or retaliation under the University's Sexual Misconduct Policy, Anti-Discrimination Policy, or the CEPA Policy.

The Guidelines are meant to describe generally the University's procedures for responding to complaints and conducting investigations of complaints, where necessary. The University may, in its sole and exclusive discretion, deviate from the guidelines.

Within five (5) business days after receipt of the complaint by the Director, the Director will determine, in his/her discretion, whether the complaint falls within the Director's authority and notify the Complainant.

Within five (5) business days after notification to the Complainant that the complaint falls within the Director's authority, as described above, the Director, in consultation with appropriate University personnel, will evaluate the complaint and determine whether an investigation and/or other action is necessary. Although consultation with university personnel is called for under these Guidelines, the determination of whether an investigation is necessary remains at all times with the Director.

Investigations will be completed as promptly as possible and consistent with applicable legal requirements. The time to complete an investigation may vary depending upon the allegations, the number of individuals involved, and the complexity of the issues raised. The Investigators will keep the Complainant and Respondent apprised of the status of the investigation.

Within ten (10) business days following the completion of the investigation, the Complainant and Respondent will be advised verbally of the findings at separate meetings with appropriate University personnel. A confirming letter may be provided.

Sanctions-Employee Process:

If it is determined that a violation of University has occurred, the investigators will make recommendations as to responsive action. Final determination of responsive action is made by appropriate University personnel (i.e. supervisor, Human Resources).

When disciplinary action is recommended, such action may include one or more of the following:

- Informal and formal counseling
- Mandatory training
- Progressive disciplinary action
- No contact order
- Transfer of position
- Removal of administrative appointment
- Demotion
- Suspension
- Termination of employment

In addition to other sanctions, the Title IX Coordinator may recommend employment modifications, as may be appropriate, supervision and/or security at locations where the Prohibited Conduct occurred or is likely to recur; arrange for conducting targeted or broad-based educational programming or training for relevant persons or groups; and/or impose any other remedial or protective measures that are tailored to achieve the goals of the policy.

[Grievance Procedure – Title IX](#)

On May 19, 2020, the US Department of Education issued a final rule under Title IX of the Education Amendments of 1972. Only incidents which fall within the scope of the Final Rule’s definition of “covered sexual harassment” will be handled in accordance with this [Grievance Procedure](#). All other incidents will be referred to the Student Conduct Process or Employee Process described above.

CAMPUS SEX CRIMES PREVENTION ACT

A law requiring convicted sex offenders to report to appropriate state and local agencies responsible for sex offender registration and document their enrollment as a student, volunteer or acceptance of employment at educational institutions. The University will be notified of all offenders who fit the criteria. The New Jersey State Police website for information on registered sex offenders can be found at http://www.njsp.org/info/reg_sexoffend.html.

GOOD SAMARITAN POLICY

Student health and safety are fundamental to our community. Whenever there is concern for another student or belief that assistance is needed, students are expected to contact Public Safety. In the case of a medical emergency, students should immediately call 911.

Students who seek medical assistance for themselves or for an individual who is intoxicated or experiencing an alcohol-related emergency will not be subject to University disciplinary action related to the alcohol policy. Furthermore, the intoxicated student who receives medical assistance will not be subject to University disciplinary action.

When an incident that falls under the Good Samaritan Policy occurs, the student(s) involved will be required to meet with the Office of the Dean of Students to review the matter. While no formal disciplinary sanction (i.e. Probation) will be applied, an appropriate educational response may be. This may include participation in an educational class, mandated counseling assessment, additional fee for ambulance service, and/or parental notification. Failure to complete the educational requirements will result in referral to the University discipline system.

The following is also of important note:

- Other violations of the Student Code related to the same incident may be referred for disciplinary review and sanction.
- A student involved in more than one incident that falls under the Good Samaritan Policy may be subject to disciplinary sanction.
- Students may still be subject to local and state law for their behavior.
- The University reserves the right to review each incident on a case-by-case basis.
